# Minnesota National Bank, Named Among the Top Extraordinary Banks in the Nation

April 21, 2022 (Naples, Florida) - Minnesota National Bank, a local Sauk Centre icon, was just named among the top extraordinary banks in the United States by The Institute for Extraordinary Banking™.

Minnesota National Bank was recognized with the Institute's Banky™ Award for its commitment to strong community banking. This recognition is given to top community banks across the country to help people find the best banks in their communities.

Minnesota National Bank CEO, Steve Jennings, stated, "It is very humbling and exciting to be honored for award winning banking practices. Our team is an exceptional group of highly trained professionals that have been recognized for the excellent job they do of helping our clients with their financial needs. We are also so blessed to have the trust of our clients and be looked upon as trusted advisors to them for their financial needs. I want to thank our team for being involved in our communities we serve and for all

the time they give to needs within the community.”

The Extraordinary Banking™ Awards highlight the vital yet often overlooked role that local community banks play in our nation’s economy. Without a vibrant local banking industry, our small businesses and families often lack the have-your-back support of a true community bank that makes communities really thrive.

The Extraordinary Banking™ Awards recognize the best of what community banks offer to our cities, towns, and nation: a true commitment to the success of the small businesses and local community they serve.

Roxanne Emmerich, Chair and Founder of The Institute for Extraordinary Banking™, proclaimed during the awards ceremony: “Community banks are the backbone of America. They are what keeps a community thriving. When a community bank leaves a community, small businesses often struggle to stay, and jobs leave. Every robust community has a strong community bank that understands how to help that community thrive and grow.”

Minnesota National Bank is one of only two banks in the state of Minnesota to receive this award in 2022. Visit [www.mn-bank.bank](http://www.mn-bank.bank) for more information.
